

# Must Have Furniture Items

Furniture plays a crucial part in making a home worth living and also accentuates its overall look. Whether you live alone or dwell along with your family, here we have listed few furniture items that are a must have for any house.

1

1

Sofa

A perfectly chosen sofa accommodates your family and friends along with providing style and comfort. Depending upon the budget and available space, you can go for a sectional sofa, leather sofa or even loveseats.

Bed

2

At the end of the day all you need is a super comfortable bed where you can rest and sleep well. You can select a king or queen size bed for your bedroom which is available in different shapes and designs.

Dresser

3

Dresser is an indispensable part of any house. There is no rocket science in choosing a dresser that is functional and also adds elegance to the room.

Nightstand

4

A nightstand is an essential part of bedroom that can be used to keep alarm clocks, mobile phones, glass of water and bedtime books. Add a stylish yet functional nightstand to your bedroom that works well with the décor of the room.

Console Table

5

A console table is a perfect item which can house entertainment equipment such as televisions, gaming consoles etc. It is a versatile furniture piece that along with being functional also adds to the décor of the room.

Coffee Table

6

A coffee table can be selected for both spacious and small rooms. The list of coffee table configurations is endless and can be chosen based on your budget as well as available room space.
