

# Storage Hacks For Small Spaces

One of the most difficult thing for a house owner with small spaces is to make the place look spacious and clutter-free. Here are few storage hacks that you can look forward to.

Opt for multi- functional furniture items like ottomans & tables (with drawers) which can also act as storage pieces.

Buy multipurpose furniture items which serve dual purpose. They are affordable, elegant and also help in saving space.

Add well designed loft extensions in your kitchen & bathroom for storing utensils, kitchen accessories & grooming products.

Purchase cabinets or other storage furniture to keep your clothes or bags in an organized way to make your room look spacious and clutter free.
