

Furniture Trends For 2019

With the start of a new year, it is time to upgrade your home with these furniture trends.

1

Warm Colors

Add a pop of warm color by placing a subtle accent chair or an eye-catching centerpiece in the room.

2

Upholstered Beds

An upholstered bed or headboard brings warmth and coziness to the room.

3

Pattern

Mix small pieces of furniture like chairs in bold patterns with larger furniture pieces in neutral shades to accentuate the overall visual appeal.

4

Rustic Look

Furniture pieces made from sustainable material that exude a rustic charm are making a comeback to the modern homes.

5

Multifunctional Furniture

Multifunctional furniture is in trend as these pieces simplify the home interiors and add a minimalistic look.
