

Frequently Asked Questions About Bunk Beds

Bunk beds are a great option as they provide an extra sleeping arrangement while saving space.

Here are some FAQs about bunk beds.

01 ■———— Is there an age limit for sleeping on the bunk bed?

Usually manufacturers provide bunk beds to accommodate kids or teens depending upon their requirement. However, it is important to follow the age & weight guidelines given by the manufacturer to ensure safety.

02 ■———— Can bunk beds be separated to two beds?

It depends on different models of the beds. Some bunk beds can be separated and used as two different beds while other models are designed to be used as bunk beds only.

03 ■———— What kind of mattress fits a bunk bed?

Bunk beds may be of different sizes i.e. twin over twin, twin over queen, queen over queen etc. So, measure the bed or consult the manufacturer to know the size of mattress that would fit your bed.

04 ■———— What material is used to make bunk beds?

Bunk beds are available in a variety of materials and designs. Ask the manufacturer about the benefits offered by different materials before choosing a design that matches your decor style.
