

How To Maintain Your Patio Furniture

Proper maintenance of patio furniture will ensure its longevity. Tips to maintain your outdoor furniture are:

- 1 Fabrics used for patio furniture are durable but need care. Regularly dust it off using a soft brush, clean it with sponge and allow to air dry.
- 2 Clean the hard surfaces of plastic, wicker, aluminum and cast iron furnishings with damp cloth immersed in warm water and mild dishwashing soap.
- 3 To protect wooden surface from damage that may be caused by temperature variations, clean it with oil-based soap and soft brush.
- 4 Wicker furniture requires cleaning with a vacuum cleaner to remove dirt from small crevices. It will prevent any kind of grimy build up.
- 5 Follow basic furniture care rules as per the manufacturer's instruction in order to avoid unsuitable products that may damage the furniture.
