

Buying The Perfect Indoor/Outdoor Rugs

A rug is a great way to define an area and set the base for furnishing.

Following are the tips to buy perfect indoor/outdoor rugs:

Material

Choose long-lasting materials as rugs experience high foot traffic.

Size

If placed under a group of furniture, rug should be big enough so that front legs of all furniture pieces are placed on the rug.

Safety

Make sure the rug's underneath is slip-proof to ensure safety and avoid any accidents.

Color

The color and pattern of the rug should complement the color scheme of the room and furniture.
