

Accessories For A Modern House

Home accessories are an important element of decor in modern house furnishing.

- 1 Accessories add color and texture to the monochrome modern home design.
- 2 They help in creating a warm environment by adding a personal touch of style.
- 3 Accessories can help in creating an area of focus in a room.

Different types of accessories for a modern house:

Mirrors: Choose a wall or floor mirror with metal frame in black, grey or metallic color.

Candle Holders: For a modern look, use glass or metallic table top candle holders & wall sconces.

Art: Modern art is available in many forms such as wall art, minimal frames, metallic sculptures, etc.

Indoor Planters: Ceramic and metallic indoor planters in monochrome or contrasting colors add positive vibe.

Rugs: Use area and accent rugs in modern designs and materials such as faux fur to create a style statement.
