

Outdoor Lighting Styles

Using different types of lighting can accentuate the patio decor & make it look brighter.

You can use following lighting styles while planning your patio and outdoors:

Pendant Lights

Hanging pendant lights can be installed to the ceiling to light up the patio deck.

Sconces

Outdoor sconces in different finishes are a great wall lighting option to brighten up the area.

Post Mount

Post mounts can be used to light the pathways or gate posts to add a regal touch while illuminating the area.

Lanterns

Hanging lanterns with pillars or trees helps create a vintage vibe in the patio or landscape.

Fairy Lights

They add charm & festive vibe to the area and can be hanged across poles or around trees for a dramatic effect.
