

TIPS TO USE

POUFS & OTTOMANS

- Ottoman is cushioned, tufted, or upholstered seating arrangement with storage space. Pouf is a puffy round seat often resembling a mini beanbag, but could also come in a square shape.
- Choose an ottoman if you want to supplement primary seating arrangement with additional capacity or discrete storage. Poufs can be used as single seats, side tables, etc.
- Choose the shape of ottoman or pouf in harmony with furniture in the room; rectangular & square shapes can be used as seating opposite to rectangular sofas whereas round shapes can be used next to accent chairs.

Uses of Ottomans & Poufs

- An extension to bed.
- Seating in front of dresser.
- As stool or foot rest in front of accent chair.
- As a coffee table or end table.
- Additional seating arrangement.
- Decorative accent to add color to decor.
