

# Types of Storage Furniture

Right choice of storage furniture can help in decluttering a room while adding to the aesthetic value.

Let us take a look at types of storage furniture that can be used in different rooms:

## Bedroom

- Armoire & chest of drawers can be used alone or in addition to vanity dressers for storing clothes, jewelry, makeup, etc.
- Storage drawers or nightstands with drawers are multipurpose furniture items that can be placed on bedside for storing items & placing lamps or frames.
- Beds with underneath storage drawers are great for small rooms as they eliminate the need for multiple furniture items.
- Storage ottoman & benches are versatile pieces that add additional seating, style statement & storage space in the bedroom.

## Living Room

- Accent cabinets & TV stands offer ample storage capacity while adding to the room decor.
- Side tables with drawers placed next to sofas or accent chairs offer space to store items & place accessories such as frames, vase, etc.
- Coffee tables with storage are perfect for furnishing small spaces.
- Storage ottomans available in different shapes & sizes are versatile furniture pieces that add storage, seating, color & texture to living room.
