

Types of Desks for Your Home

01

Executive Desk

It has a larger surface. It features drawers or filing cabinets, making it a perfect choice for a home office.

02

Standing Desk

It is a simple desk with a clean design and modern look but no storage space.

03

Writing Desk

These desks have little storage space and can be considered an upgradation from standing desks.

04

Vanity Desk

They feature a mirror and drawers to double up as a makeup desk or dresser.

05

L-Shaped Desk

They are a blend between a writing desk and an executive desk. It can be used for organizing space.
