

# Choosing the Right Throw Pillows

The right throw pillows can instantly breathe new life into your space. At **Ashley HomeStore**, we offer a variety of throw pillows in different colors, sizes and patterns.

Here are some tips for choosing the right throw pillows

- Choose a cohesive color palette.
- The pillows should complement the chair/sofa.
- Experiment with different shapes - square, rectangular, box, bolster and round.
- The pillow should be in proportion with the size of furniture.
- Combine different textures to create depth.
- For a decorative touch use throws with trims or embellishments- piping, rope trim, pom-poms, etc.
- Pay attention to inserts; they should be comfortable and allergy-free.
