

Is Your Patio Ready For Spring?

As winter recedes and spring emerges, it is the time to re-do your patio and make it ready for spring and outdoor time. Check out our outdoor furniture and accessories for your patio at *Ashley HomeStore*.

Here are ways to prepare your patio for spring:

01

Clean the patio thoroughly; get rid of dust, cobwebs, dead leaves, etc.

02

Add a splash of color with an outdoor rug.

03

Invest in an outdoor bar cart for your mocktail and cocktail supplies.

04

Place a patio umbrella for shade.

05

Invest in outdoor seating like sofas, benches, ottomans and more.

06

Use colorful cushions and fluffy throws to make your space cozy.

07

Add an element of fun with patio planters, outdoor art and a warm glow of lights (string lights or a fire pit).
