

How To Make A Small Room Look Bigger

Discover furniture and decor options at Ashley HomeStore to enhance the spacious feel of your compact living space.

- **Use Light Colors:** Opt for light-colored walls and furniture to create an illusion of space.
- **Multi-Functional Furniture:** Choose furniture that serves multiple purposes to maximize functionality without clutter.
- **Utilize Vertical Space:** Install shelves or storage units vertically to make the room seem taller.
- **Optical Illusions:** Use striped patterns or rugs to make the room look bigger.
- **Sleek and Simple Furniture:** Choose furniture with clean lines and a more minimalist design to prevent visual congestion.
