

Rugs And Carpets For Your Home

Add a touch of style and comfort to your home with the right rugs and carpets. From enhancing the decor to adding functionality, they cater to every need while creating a warm and inviting atmosphere. Here's how to choose the perfect rug for every room:

Pile Heights for Every Space

High Pile for Low-Traffic Areas: For home offices or guest rooms high-pile rugs with tufted shag construction offer a cozy feel.

Medium Pile for Balanced Use: Medium-pile rugs, featuring either woven or loop constructions, are ideal for living rooms and bedrooms.

Traffic Areas: For hallways or kitchens, low-pile rugs with tufted cut or woven construction may be preferred.

Flat Pile for Easy Care: Flat-weave or natural fiber rugs are ideal for dining rooms or playrooms, providing effortless upkeep and style.

Types of Rugs

Area Rugs: Anchor large spaces with area rugs, creating a focal point while protecting floors.

Outdoor Rugs: Durable and weather-resistant, these rugs bring comfort to patios and balconies.

Accent Rugs: Add pops of color or texture to smaller areas with stylish accent rugs.

Selecting the Right Rug

Match rug size to room dimensions

Consider material for maintenance

Choose colors to enhance the decor
