

Maintain the Fresh Look of Your Outdoor Furniture

Proper protection and simple upkeep help outdoor furniture stay fresh, durable, and weather-resistant year-round.

01

Choose Weather Resistant Covers

Shields furniture from sun, moisture, and seasonal wear.

02

Ensure Proper Cover Fit

Tight, secure covers prevent wind damage and water pooling.

03

Clean Furniture Surfaces Regularly

Stops dirt buildup that can discolor or weaken materials.

04

Store Cushions Indoors When Not in Use

Prevents mold, fading, and fabric damage.

05

Treat Wood With Sealants

Protects natural grains from cracking and sun exposure.

06

Apply Rust Protection to Metal Pieces

Keeps steel or iron frames looking new and corrosion-free.

07

Use UV-Protective Sprays

Helps preserve color and prevents fading.

08

Elevate Furniture Off the Ground

Stops moisture absorption and prolongs frame life.

09

Check and Tighten Hardware

Maintains stability and prevents wear on joints.

10

Cover or Store Furniture During Harsh Weather

Extends longevity by minimizing exposure to storms and extreme temperatures.
