

# Coffee Tables and End Tables: Choosing the Right Size

Choosing the right table size improves comfort, movement, and everyday usability.

- 1

Measure available floor space first
- 2

Match table height with seating height
- 3

Leave enough clearance for walking paths
- 4

Keep coffee tables at reachable distance from seating
- 5

Avoid oversized tables in smaller rooms
- 6

Balance table size with sofa length
- 7

Ensure end tables align with armrest height
- 8

Allow space for drawers or shelving
- 9

Maintain visual balance in the room
- 10

Test functionality for daily use
